SEALED TENDERS, marked "Tender for Bridge Project No. 626—Swift Current Creek and Robson River Bridges, Contract No. 1 (Substructure)," will be received by the Minister of Highways in his office at the Parliament Buildings, Victoria, British Columbia, up to 2 p.m. (Pacific Standard time) on Wednesday, the 15th day of January, 1969, and opened in public at that time and date.

The contract comprises the construction of the reinforced-concrete substructures for the two bridges. All four piers are supported on piles.

Plans, specifications, and conditions of tender may be obtained from the Provincial Government Plan Viewing Room, 1414, 207 West Hastings Street, Vancouver 3, British Columbia (telephone 684-8918), or from the undersigned, for the sum of ten dollars (\$10), which is not refundable.

Construction of this contract shall conform to the requirements of the applicable sections of the Department of Highways "General Specifications for Highway Construction." If the bidder does not already have a copy of these specifications, one may be obtained from the Provincial Government Plan Viewing Room, Vancouver, British Columbia, or from the undersigned, for the sum of ten dollars (\$10), which is not refundable. All copies purchased are registered and amendments are forwarded when issued.

Each tender must be accompanied by a bid bond in an amount equal to five per cent (5%) of the tender price. This bond shall be forfeited if the tenderer declines to enter into a contract if called upon to do so. A performance bond and a labour and material payment bond, each in the amount of fifty per cent (50%) of the tendered sum, in a form acceptable to the Minister of Finance, must then be provided by the successful bidder prior to the award of the contract.

Tenders must be made out on the forms supplied and enclosed in the envelope furnished.

Tenderers are advised that all bidders will be required to satisfy the Minister of Highways in writing, that they have the necessary qualifications to successfully perform the work. It is preferred that tenderers submit with their tenders a list stating the type, capacity, and present

location (so that inspection can be made if necessary) of the equipment in their possession or at their disposal which is immediately available for the carrying-out of the work within the time limit specified without in any way curtailing or delaying any Departmental project that may be under contract at this date.

No tender will be accepted or considered which contains an escalator clause or any other qualifying conditions, and the lowest or any tender will not necessarily be accepted.

It is preferred that tenderers submit with their tenders a schedule of proposed construction operations showing estimated monthly progress for each phase of the construction work.

Deputy Minister of Highways.

"Division VIII.—Ambulance

"1. Only the member municipalities of the City of Kimberley and Electoral Area E participate and share in the cost of this function.

"2. The regional district is empowered to grant aid to the Kimberley and District Ambulance Association an amount not exceeding in the aggregate the sum

"3. The debt, other than for current temporary borrowing incurred by the regional district for the purpose of this function, shall not exceed in the aggregate the sum of fifteen thousand dollars (\$15,000).

"4. Until the annual budget for the year 1969 is adopted, the sums of money which may be borrowed to meet the current lawful expenditures of the regional district for the purpose of this function shall be as determined by the Inspector of Municipalities.

"5. The annual net cost attributable to this function shall be apportioned among the participating member municipalities on the basis referred to in section 782 of the *Municipal Act*."
